Bilatateralni sastanci

- Četvrtak 11:00 14:00
- Petak 11:00 14:00

Opis

The organisation is a scientific association. Unfortunately there was no possibility to select this option in the ORGANIZATION TYPE: But - I had to click something which is not the typ of ESFH.ESFH holds biannual scientific conferences mainly in Europe, with up to 400 delegates (depending on the sestination). Participants are medical doctors from all over the world.
