Description

The 3D World is a non-governmental and non-profit association based on indefinite time in order to achieve goals in the field of culture, cultural and spiritual heritage of the Petrovaradin Fortress with its underground and upperground, and cultural and spiritual heritage of Petrovaradin, Novi Sad, Vojvodina and Serbia.

The association offers creative and educational workshops in which it organizes and introduces consumers with the unique, the most preserved, and third-largest countermine system in the world - the underground of the Petrovaradin Fortress.

Thanks to its InterNet networks, advertising and unique adrenaline offer, it has created a new form of advertising and presentation of the long-kept and unresolved secret maps of the underworld, also called "Catacombs".

3D svet je nevladino i neprofitno udruženje, osnovano na neodređeno vreme radi ostvarivanja ciljeva u oblasti kulture, kult. i duh. nasleđa tvrđave Petrovaradin sa njenim podzemljem i nadzemljem, Petrovaradina, Novog Sada, Vojvodine i Srbije.

Udruženje nudi kreativne i edukativne radionice u kojima organizuje i upoznaje konzumente sa jedinstvenim najuočuvanijim i trećim po veličini kontraminskim sistemom - podzemljem tvrđave Petrovaradin.

Zahvaljujući svojim internet mrežama, oglašavanjima i jedinstvenom adrenalin ponudom napravilo je jedan novi vid oglašavanja i prezentacije dugo čuvane i nerešene tajne mape podzemlja ili čuvenih "Katakombi".

Preko 30.000 posetilaca osetilo je draž i miris duhova ratnika
